### FLAGGING TARIFF MSO 9010-A

-----  
THE FOLLOWING RULES AND CHARGES ARE APPLICABLE IN REGARD TO FLAGGING ON THE  
MICHIGAN SOUTHERN RAILROAD CO. (MSO)  
-----

#### FLAGGING

Any time a contractor or other third party is performing work that involves personnel or equipment on, under, or over the Railroad's tracks, facilities, right of way, or any other property, such activity may impact rail transportation (49 U.S.C. Section 10102(9)); therefore, at least one Railroad representative ("Flagger") must be present. Based upon the scope and location of the work, the Railroad's Vice President of Safety and Compliance will determine if additional Flaggers are required.

Rates for flagging services are as follows:

**\$900.00 per Flagger per day – up to a maximum of twelve (12) hours on duty.**

If a Flagger(s) is called for duty, but not needed, a **Call Charge of \$300.00 per Flagger** will apply.

Should a Flagger(s) be required to move from one location to another during the day, an additional charge will be assessed for vehicle and/or equipment use.

Flagging shall be billed every calendar week, and shall be payable within 15 days of the date of invoice. Overdue bills shall be assessed interest at the then-current statutory judgment interest rate. Payments for Flagging are to be collected by and accrue solely to the MSO.

All contractors or other third parties using flagging services shall abide by any instructions given by the Flagger concerning railroad safety and/or security. Flaggers have the right, but not the duty, to evict from the right of way, any person or persons who are in possession of, or under the influence of, alcohol, any intoxicating drug (whether legal or not), any weapon, firearm, explosive, flammable, or other dangerous article (except for fuel in authorized vehicle or equipment tanks), or is conducting themselves in a manner which the Flagger, in his sole discretion, deems to be unsafe, or an unreasonable threat to railroad safety or security.

**NOTE: This tariff does not give any person(s) the right of entry. Right of entry must be applied for and obtained in writing PRIOR to entry on MSO property. Person(s) requiring right of entry will additionally provide insurance coverage per MSO specifications. For right of entry and MSO insurance requirements, please contact:**
